

Estrutura de repetição for

Prof^a. Me. Ana Palloma

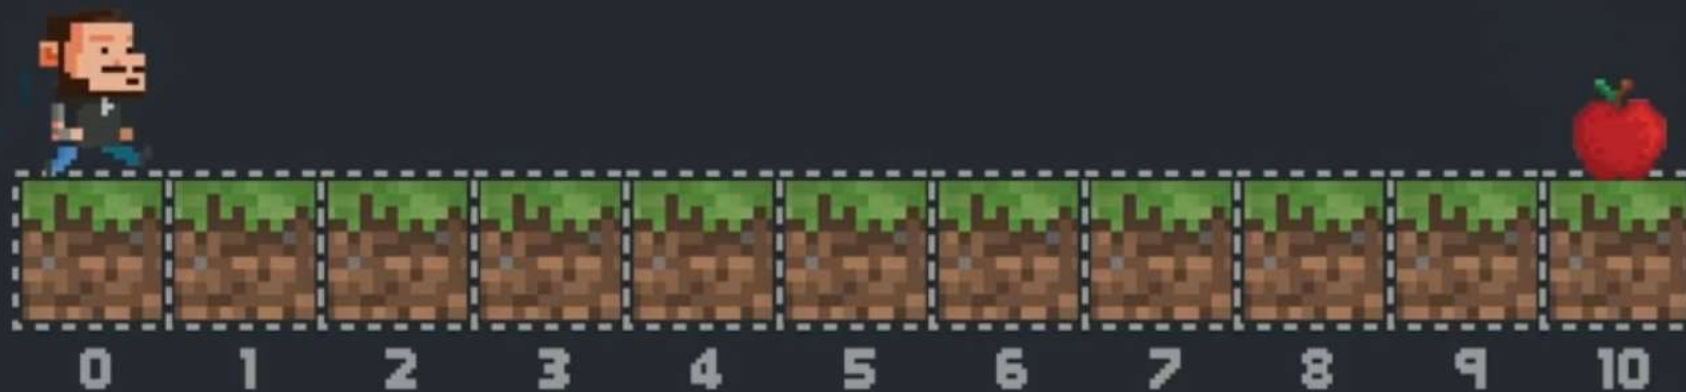

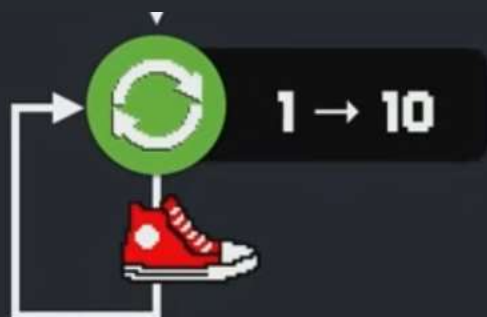

PROBLEMA: Tudo que estiver
no laço de repetição vai se
repetir eternamente!

SOLUÇÃO: Usar um contador!

```
laço c no intervalo(1, 10)  
    passo  
pega
```

```
for c in range(1, 10):  
    passo  
pega
```
